

Example – request for work environment measure

Date:

Company Name:

Address:

Organisation number:

Proposal according to 6 chapter 6 a § of the Work Environment Act regarding a request for a work environment measure.

[Description of the background]

With the support of 6 chapter 6 a § of the Work Environment Act, I request that the measures below be taken in order to achieve a satisfactory work environment:

[Description of the measures I wish to see (or what should be investigated and risk-assessed)]

[Possibly request that measures be taken up in an action plan with a timeframe]

[Possible description of the paragraphs in the Work Environment Act/Provision with which I support the demands]

I would like notification before XX.

If I do not receive a satisfactory answer, I will turn to the Swedish Work Environment Authority and request that they take a position on the matter.

XX, Safety Representative

As responsible representative for the employer in this question, I have received the report.
